

Pocket ninja kickin it

Continue

Kickin it pocket ninja episode.

Roshon Fegan keeps it smooth next to Jaden Smith and Leo Howard in this behind-the-scenes pic from Kickin' It. In the upcoming episode "All The Wrong Moves," Jerry (Mateo Arias) signs the gang up for the "Hottest Dance Crew Competition" at the mall, but quickly learns they can't dance. Smooth (Fegan), the leader of the reigning champs the Step Brotherz, offers Jerry a spot on his crew and he eagerly joins. But when Smooth steals Jerry's signature dance move for the competition, Jerry realizes he betrayed his friends. Meanwhile, Rudy (Jason Earles) and Marge (Loni Love) host an infomercial for Pocket Ninja. "All The Wrong Moves" premieres Monday, July 11 @ 8:30PM ET/PT on Disney XD. 15+ pics inside... Rudy makes it and sells it to a bunch of ladies. Marge and Rudy decide to do an infomercial which ends with the Pocket Ninjas heads exploding. Rudy mistakes them as Ninja Pockets during the live infomercial due to the fact that he was nervous. They didn't sell very well. Trivia The pocket ninja was originally for police officers to put in their cars so people won't speed. In Seaford High school the new kid Jack meets three boys, Jerry, Eddie and Milton and a girl named Kim. They all do karate and Jack joins Jerry, Eddie, and Milton at lunch, and soon are picked on by Red belts in the Black Dragon Dojo and Jack tries to settle things and gets in a fight with kids from the rival dojo, the Black Dragons, that at the time, Kim was a member of the Black Dragons. Jerry Eddie and Milton learn from their sensei Rudy that the Bobby Wasabi Martial Arts Academy is in danger of closing. So Jerry, Eddie and Milton convince Rudy to get Jack to join after he crashes through the wall. Rudy lies to Jack and says he will go to juvie if he does not join and helps them get 2 belts. Later Rudy let his secret slip and Jack quits until he hears the disappointment of his friends. Jack joins to win the tournament. Jack competes against Kim, but after the Sensei for the Black Dragon cheats, Kim quits and does not fight Jack. Jack does a Bobby Wasabi move to win the tournament and keep the dojo running. Also in this episode, Kim from Black Dragon changes to Bobby Wasabi's dojo. Find something memorable, join a community doing good. "Emma's POV" Me, Jack, Eddie, and Milton were at lunch trying to enjoy lunch, that being difficult though because the lunch food is terrible. The only good thing I could enjoy was the tater tots. I was starting off to the distance when I see Jack take one of me tater tots "Hey! Jack off these are mine" snapped slightly glaring at him playfully "Oh, come on Emma. Please I already finished all my tater tots" he begged. I nodded my head no, then gave me his puppy dog eyes. I broke "Ugh fine you can take some" I sighed sliding my tray closer to his so he had better access to grab my tater tots "Thank God you guys are friends again" Kim spoke up "Yea, I couldn't take all the tension in the room anymore" Eddie agreed "You guys are so cute why don't you just get together- I swiftly kicked Milton "OW" I was gonna say something when Jerry comes running in. "Guys! I got us the opportunity of a lifetime. We're gonna be rich!" Jerry said "For the last time, your mom's car has a leak. There's no oil under your house." Milton yelled "No, I signed us up for The Battle of the Dance Crews competition at the mall. Check it" Jerry explained holding up the flyer I quickly scan it then my eyes widen when I see what the prize is. "Woah, first prize wins \$1,000!" I said taking the flyer from his hand. "It's not just about the money. I've always loved dancing. You know, when I was a baby, my mom hung a disco ball over my crib." Jerry told us Jack starts laughing "Did it ever fall on your head?" Jack asked as he continued to chuckle "Did whatever fall on my head?" Jerry asked, Well that answers that question. I thought "Jerry, that sounds great but, were not a dance crew," Eddie says "I have the skills and I'll teach you the moves, plus Emma got some skill too and can help me out. And if we work hard we can win this together" Jerry said, "Now what do you say?" He asked We all agreed and nodded our heads "Okay, Jerry, you got yourself a crew" Jack told him, they bro hugged then Jerry said "Wasabi?" We got up and yelled "Wasabi!" #TimeSkip# *Third person POV* Jerry, Jack, and Emma were at Falafel Phils enjoying their lunch. "Is it just me or are these falafel ballas greasier than usual?" Jack asked as he picked up one of them and a grease came oozing out. Emma slightly crunched up her face in disgust. "No, that looks about right," Jerry said. Emma nodded her head in agreement and handed Jack a napkin to wipe his hands. "Oh, check it out. That's Dan Brennan. He's the best dancer at our school. They call him Smooth" Jerry explained to Jack "Because he's got great dance moves?" Jack asked "Oh he's a great dancer, but it's also because his skin is crazy soft." Emma gushed slightly dazed. Smooth and Emma used to be great friends and still are now because when they were little they were in the same dance studio until Emma decided to focus on karate and dropped out. But they always playfully flirted once and while they were cool. "Hey, Jerry," Smooth greeted. "Sup Emma," he said, winking at her Emma rolled her eyes and looked down at her food. He then looked at jack as if he was waiting for his name "Jack" he replied "Eh, I heard you karate clowns signed up for the dance contest. You know my crew, The Step Brotherz win every year" Smooth said "Yeah, I know," Jerry stated "Just 'cause you win every year doesn't mean other people shouldn't try," Jerry said Smooth scoffs "Uh yeah, it kind of does." He continued "See, I suggest you leave the dancing to us and stay in your little karate club." He sassed Emma (Jerry?) Woah woah, woah cut stop! Jerry yelled. "Okay, I taught you this," Jerry started showing them some moves "You guys are doing this" "Come on guys. Do any of you have dancing experience?" I asked "Well, uh...I have my own victory dance. I do every time I win a match" Jack said. He then proceeds to do some kind of victory dance. I hid my face in my hands knowing Jerry wouldn't be too happy if I started laughing seeing the mood he was in. Jerry stops him "if that's your victory dance I'm gonna start rooting against you" Jerry spat. "It's been a while since I've danced on stage, but I think I'm just as good now as I was then" Kim spoke up "Milton, tell me a dancer is hiding in there somewhere," Jerry said. "Oh, believe you me, I have busted many a move" Milton responded. Was he speaking English there correctly? "Eddie, please give me some good news here," Jerry begged "Well, I did go to Mrs. King's Dance Academy" He answered. "Okay this isn't working" Jerry huffed "Come on guys, this is important to me. You gotta start trying" "Woah, we're trying" Jack retorted "Yea," we all agreed "Maybe we should take a break" Eddie suggest getting up "Fine," Jerry said, "But before you go, think about this. When you dance you...you gotta totally feel it. When I dance, I'm not thinking about anything. My head is absolutely empty" "Rightttt, like right before an algebra test," Kim said. I started to laugh but Jerry sent me a glare and I shut up. We all started to quickly walk away when Jerry shouted at us "Hey, you guys better be ready to work when you get back." When we were a distance away I told Jack "you know, for what it's worth, I love you victory dance" I then squeezed his cheeks and ran to catch up with the group #Time Skip# We were entering the dojo after our break to see that Jerry wasn't there. "Where did he go?" I asked "Hey guys, he over at Falafel Phil's" Eddie yelled We all started to make our way over. "Jerry, what are you doing here? We were waiting for you back at the dojo." Jack said "A little change of plans. Jerry's a part of my crew now. He wants to dance with the best." Smooth remarked "What? Jack gaped confused. "Jerry is this true?" I asked "Yeah, it is true," he said. We all looked at each other. "Hey, Smooth's a great dancer. And he's my only real shot to be part of a winning crew." "So, you would rather win than be with your friends?" Kim asked "Look, it's not about winning, okay? This guy also makes his own cocoa butter" Jerry states. As they walk out Smooth asks if we can talk. I slowly walk out and he tells me "Hey I got an A!" "Oh my God! That's so great!" I say and hug him "I know, thank you so much for all of your help Em," He says "Hey anytime," I say I'm about to walk away when he pulls me back by my waist. "Emma, I really like you, and I think you feel that spark too." He says in a whisper getting close me "Woah woah," I stop him trying to get out of his grasp and fail. "I'm sorry Dan, but I don't feel the same way. I'm sorry," I say "Come on Emma," He says slowly leaning in. I use all the force in my body and push him away. "Get away from me, ugh" I yell angrily walking into the dojo "That son of a. Think he can just do that." I thought to myself out loud. I hit the stereo and it starts to play "Without Me" by Halsey. I immediately start to dance, trying to release my anger. Yes, Dan is cute. He's nice to be but to my friends a total jerk. He's so two sided and that's not okay. I didn't want to kiss him. I don't want to be my first kiss. I already got my first boyfriend taken away. I'm not gonna let that. I want Jack, I wanted him to be my first boyfriend. I want him to be my first kiss. I was still going when I heard somebody clapping. I stop and see Jack "Oh hey," I say looking down, "How much did you see?" I asked "Everything, I came to make sure you are okay" Jack answered. "Oh yeah I'm fine" I mumbled "That was amazing Emma, I didn't know you could dance that well." He says "Thanks," I answer. "I can teach you, we can do like a partner, I don't know," I say, shrugging my shoulders, cursing at myself for asking that. Idiot. "Yea, I think that would be pretty cool" Jack answers. "Cool, then we start practice on Saturday," I said winking and walking into my uncle's office #Time Skip# Jack's POV The whole gang was walking to falafel phil's when we see Jerry with a frown obnoxiously sipping on a soda. "Well, if it isn't Eggs Benedict" Eddidie remarks at Jerry. We all look at him in confusion. "You mean Benedict Arnold?" Milton asked "No...I don't think I do," Eddie said. "Shouldn't you be practicing with your new Smooth dance friends?" I asked. I take a quick glance at Emma to see her face twist into some form of anger and confusion. But then I snap back when I hear Jerry's voice "They're not my friends. Smooth just used me to steal my move." Jerry explained "They stole the Jerry?" Emma asked "Yeah! And it's not called 'the Jerry' anymore. Now it's called the Smooth. Ne just named it after himself. Ah, zero imagination" Jerry scoffed. "Jerry, you got us so excited about this dance thing. You said we were gonna do it together and then you bailed on us." I tell him. We all start to walk over to order our food when Jerry calls out attention again. "Look, I'm never gonna be great at karate or...or a great school person" "Student" Milton interrupts "Whatever. Dancing is the one thing I'm really good at. And I just wanted everybody to see that. But you guys are my friends. I shouldn't have walked out on you. So, I'm sorry" Jerry said. He looked at us one more time before walking out "Jerry, wait!" I yell at him. I walk over to him. "If you still wanna be in the contest. We'll be your crew" I tell him "Really" He asked, surprised "Yes! The kid is back in the game. You guys are awesome!" "Not at dancing, we still stink," Milton says. "yeah, would you excuse me, please. I'm on a date!" Joan yells, pushing past us carrying a dummy? As she walks by hitting me in the face. Emma lets out some giggles and comes to slightly brush the hair that had fallen in my eyes. "Thanks Princess" I say smirking "Oh God no!" She yells and runs away. I get up to go catch her smiling, glad that we were back to normal, right? #Time skip to day of the competition# *Emma's POV* (sorry for all the pov changes) The step brothers are performing and damn are they good. "Wow! How about that?" The announcer says. I look over to Jack who looks like he's about to pass out "Umm, Jack are you okay?" I asked "Hmm, what?..Oh yeah to-tally fine, I-I mean why wouldn't I be?" he asked "Jack, you look like you're about to pass out." I remark "I'm just kinda nervous" He tells me I give him a look. "Ok fine, I'm really nervous" "You're gonna be fine Jack. We are gonna be amazing and kill it. Just have fun okay. And remember, this can't be worse than my uncle's commercial" I tell him, offering a smile. He starts to laugh "POCKET NINJA" we yell laughing. We turn our attention back to the announcer "But how do you come up with something like that? he stole from Jerry "BY STEALING IT" Jerry yells "YEA" we yell backing him up. "Now, let's give it up for the last act of the competition...The Wasabi Warriors." Me and Jerry walk up to the stage and face off Dan. "Good luck with your little loser friends." I just crushed it. I better go clean out my pockets to make room for my prize money." He tells us "I wouldn't do that just yet, smooth. We've got a routine that is pretty swag" Jerry says "I told you before, those guys aren't dancers. All they know about is karate." Dan remarks. "Exactly" I snap glaring at him. Before I can say more Jack comes over and tells us the dance is about to start. I'm not gonna do the dance. I would just confuse you more so I suggest watching it :) okay continue on reading. Once we finish we all clap and celebrate jumping around. It couldn't have gone better. "Wow, that was awesome. I have the judges' results. The winner of the trophy and the \$1,000 prize. Is...The Step Brothers!" While Dan got his trophy and before he could start getting up all in our faces Jerry tells us "I thought you guys were awesome, I was proud to have you as my crew." He tells us giving me a side hug. "This year, the judges are also awarding a trophy for the best individual dancer" The lady says "And the winner is...Jerry Martinez" she says handing the trophy to Jerry. We all clap and congratulate him "What! Jerry?" Smooth yells "He's not that great! I can do that much great! I can do that much great! He starts dancing trying to copy Jerry's move but fails and falls off the stage. Everybody starts laughing. And you already know I was laughing and pointing. "Not very smooth, smooth. WHOO. Yeah, that's right. I'm taking my WHOO back" Jerry tells him. Jerry walks over and starts to make speech "uh, yeah, I'd like to thank my mom, my dad, Rudy, my crew...I couldn't have done it without you guys. Oh, and one last thing I'd like to say is, five, six, seven, eight and...". Music starts playing and we all start to dance. Jack gives me a twirl almost dropping me! But instead he quickly brings me to his chest laughing. "Don't worry, we can work on that on Saturday." I say laughing. Hello loves! Wow back to back update! I have not edited this yet cause I wanted to give you guys a chapter ASAP. So here you are I'll try to post the extra chapter soon. Will something happen this next chapter? Is Ricky Weaver coming to town. And when will Jack and Emma stop being stupid and see that they both like each other? Find out on the next chapter of "Kickin it with you" Don't forget to drop a comment and a vote! Hasta luego!
